*Co-requisite courses must be completed in the term to which they are assigned or prior to admission. Proof of enrollment must be submitted to Centra College on or before the first day of the term.

**Students may choose to complete BIO 145 or BIO 142 to satisfy the biology general education requirement. Please note that Central Virginia Community College (CVCC) may have additional requirements for enrollment into these courses.

*** Students enrolled in the PN program are required to have a minimum overall GPA of 2.5 or higher in the first semester of the curriculum plan. This includes all co-requisite courses for the first semester.

Effective Fall 2022
