This handbook is designed to provide students with information about the programs of study at Centra College of Nursing ("College"). It sets forth, in general, how the College operates but the College reserves the right to change policies and procedures without notice. This handbook is not intended to be, and should not be regarded as a contract between the College and any student or other person. Students are held responsible for knowing the information contained in the Catalog & Student Handbook. Failure to read or comply with the Handbook will not excuse the student from accountability. Re-Admission Policy

Addendum: Re-Admission Policy of the Academic Catalog and Student Handbook. Practical Nursing students who fail two courses can reapply for admission the next time a new cohort will begin with no guarantee of admission. However, if the student is admitted again and is unsuccessful in the program a second time, with two course failures, there will be a two-year waiting period before the student can reapply to the Practical Nursing Program.
