This handbook is designed to provide students with information about the programs of study at Centra College ("College"). It sets forth, in general, how the College operates but the College reserves the right to change policies and procedures without notice. This handbook is not intended to be and should not be regarded as a contract between the College and any student or other person. Students are held responsible for knowing the information contained in the Catalog & Student Handbook. Failure to read or comply with the Handbook will not excuse the student from accountability. Changes are communicated via the website and MOODLE.

Notification of Distance Education: ADN & PN Fall 2020 Semester

The Associate Degree and Practical Nursing (PN) Program will remain virtual (distance education) for didactic at least the first four weeks of the fall semester. Labs and simulation will occur on campus for the fall semester. Likewise, clinical will occur in the hospital or community settings. All policies and procedures set in place for residential classes must be followed in the virtual environment. Faculty will record virtual classes. Students are not to record during virtual learning. Professionalism, etiquette, and honor code will take place at all times. These changes will take place starting the launch of the fall 2020 semester on August 24th, 2020. Further decision for mode of instruction will be determined based on Governor's directive and Covid-19 cases. Please be sure to review the Student Resource Section on Moodle for any updated announcements and policies related to the continuation of online learning through the fall semester. Continue to be diligent in your studies and strategically plan time for classwork, simulation and studying to learn, apply and be successful in the program. Please be aware that this institution does not offer distance education to ADN or PN students outside the state of Virginia

* Note: If any enrolled ADN or PN student relocate outside the State of Virginia prior to program completion this may adversely impact the student's ability to complete the program or gain in-field employment.
