Your support made it possible: A more colorful, expanded Pediatric Specialty Center opens at Centra Virginia Baptist Hospital

Elephants, zebras, and tigers – oh my! The bright, cheerful wallpaper in the expanded waiting room of Centra Virginia Baptist Hospital’s Pediatric Specialty Center may be the first thing children and families notice. But the changes and impact go far beyond what first meets the eye.

Your support provided an expansion of the Center’s physical space to support the growing number of services, which means more children can be seen each day and receive the care they so desperately need. New furniture and upgrades for a more modern, child-friendly appearance make the space feel warmer and more welcoming. The Center opened January 15. Centra will celebrate the opening later this month.

Welcome to our new Foundation board members

We are excited to welcome three new members to the Board of Directors. New members are Traci Blido, executive director of Virginia Career Works - Central Region; Tish Farrow, supervisor of special education for Lynchburg City Schools; and Cameron Patterson, executive director of the Robert Russa Moton Museum. “We are excited to welcome these distinguished leaders, all of whom have a heart for serving our community,” said Beth Doyle, executive vice president of the Centra Foundation.
In January, Foster Fuels provided Caregivers at our hospitals with hot, fresh donuts from The Wandering Donut 2. We appreciate our corporate sponsors!

We DONUT know what we'd do without you.
Thank you, Foster Fuels!
You don't want to miss this year's Centra Celebration! We will honor and celebrate 2022 Centra Champions George Dawson, Gus Petticolas Jr., and Mary Jane and Charlie Pryor. Proceeds support Centra's Greatest Need Fund, which helps our not-for-profit community healthcare system quickly respond to emergent needs and assist patients who cannot afford the cost of care.

Madison Rogers’ story will be featured as part of this year’s Miracle Day Radiothon on March 4. Since 2004, Q99FM in Roanoke has hosted the annual Dick & Dave’s Miracle Day Radiothon.
Radiothon in support of local Children's Miracle Network Hospitals (CMN Hospitals). The event runs from 6 am-6 pm and has raised more than $2.4 million since it started.

Don't worry if you missed the February 1 opportunity at Panda Express. You can make a donation or round up your purchase throughout the year to make a difference for local children who need care.
Join our team! We're hiring a Development Specialist.

CREATE A LASTING LEGACY

You have the power to help strengthen the future of your not-for-profit community health system with a charitable contribution in your will or other estate plans. A charitable gift from your estate is simple to set up and easy to change if needed.

For a confidential conversation about legacy giving, please contact Beth Doyle at 434.200.4790 or beth.doyle@centrahealth.com.
