

CENTRA

Rehabilitation

Are you or someone you know dealing with pain, burning, tingling and/or numbness associated with peripheral neuropathy?

Centra Rehabilitation offers a unique technology called the Rebuilder™ to treat these symptoms. In conjunction with traditional therapies we can:

- Re-educate and strengthens muscles
- Potentially eliminate the use of medication
- Reduce pain, tingling, burning, numbness
- Treatment is covered by Medicare and most commercial insurance

This technology used in conjunction with physical or occupational therapy may reduce or eliminate pain in the hands and feet.
