

# CENTRA

Be ready...Know where to go when you need care

## Go to the **Emergency Department** or **Call 911**

When you have:

- Sudden start of difficulty breathing connected with strong chest pain or increased pressure in chest, back, or arms
- Sudden numbness or weakness of the face, arm, or legs on one side of your body connected with slurred speech or loss of awareness/awakeness
- Uncontrolled bleeding that doesn't stop after 10 minutes
- Unexplained loss of awareness/awakeness
- Extreme pain or a bad injury
- Sudden headaches connected with vision changes or level of awareness/awakeness
- Suicidal or dangerous, violent feelings

*Avoid the Emergency Department for non life-threatening symptoms.*

## Go to an **Urgent Care/Walk-in Clinic** and call your **Medical Oncologist at 434.200.5925**

When you have:

- Possible strain, sprain, or broken bone
- Minor cuts, scrapes, or burns
- Cold, cough, sore throat, earache
- Asthma or minor allergic reaction
- Back pain
- Pink eye
- A medical need and your medical oncologist office is closed.\*

\* Even if your medical oncologist office is closed, call 434.200.5925 and leave us a message stating your concern. Our on-call doctor will return your call.

## Call your **Medical Oncologist at 434.200.5925**

When you have:

- Chills or fever over 100.4
- Nausea, vomiting, or loose stool greater than 24 hours
- Painful or frequent urination/minimal urination
- Blood in urine or stool
- New or worsening pain
- Ringing in ears or hearing loss
- Mouth sores/unable to eat or drink
- Dizziness or lightheadedness
- New swelling, redness, or rash

**Unless it is an emergency, call your medical oncologist at 200.5925 before going to the hospital or urgent care. If it is after hours, leave a message and our on-call doctor will promptly return your call. Report all troubling symptoms to us as soon as possible.**
